the Atlantic telegraph cable in  
1866.

Built by English engineer  
ISAMBARD K. BRUNEL (1806-1859)

1868

---

Cattle drive on the Chickasaw  
Trail.

30 men drove cattle to  
St Joseph, Mo. Were gone  
seven months 10 days  
The cook and many of the men  
made numerous later drives;  
but Thornton Clark Chesholm  
died in 1868.

260,000 Cattle - accumulated in TX  
in 4 yrs of Civil War - sent in 1866  
up the Trails.

Helped Texas recover from War

1866-1895

### Cattle Trails

At least 10,000,000 Cattle  
were driven up the Cattle  
Trails by Courageous Texas  
cowboys - the greatest movement  
of animals under the control  
of men in all history
